Mission of the University

The mission of Brigham Young University – founded, supported, and guided by The Church of Jesus Christ of Latter-day Saints – is to assist individuals in their quest for perfection and eternal life. Aims of a BYU Education

Ordering a Phone Line

Ask your supervisor for help setting up your RingCentral phone line.

Click here to add a student employee to RingCentral if they do not already have an account. If they are being added to a shared line, include the shared phone number and OIT will add them to that phone line.

- If the student has been set up on RingCentral for a previous job, the supervisor can add them to a shared phone line by going to RingCentral.com and logging in to the admin portal. Click on Call Queue Management on the drop down menu and choose "Settings" and then "Call Handling & Members" where you can add and delete people from your shared line.

Click here to order a RingCentral phone line

- All new employees will need to request a new line and “request a specific extension number” at the bottom of the form. That is the extension being transferred from the previous employee.

Download the Ring Central App on your computer (and cell phone if you choose to use it)

- www.ringcentral.com/download
- Be sure to log on with ‘Single Sign On” using your netID@byu.edu

Click here for Ring Central training

Click here to remove/delete a RingCentral phone line

Click here to do the following or contact financialservices@byu.edu.

- Change name display on a physical RingCentral phone
- Cancel a RingCentral desk phone
- Make changes to your RingCentral desk phone

Click here to set up / make changes to voicemail

- Connect voicemail to email
- Link the voicemail to a different email account

Answering Devices

Many student employees use a physical phone, but not all do. If you have a physical phone, you might still want to use the RingCentral app to text or see missed calls. Talk with your supervisor about the best way to answer your phone. Some employees use their cell phone to answer their Ring calls and others prefer to use a device. Please contact Lynette if a device is needed. Student employees use the device shown on the link below.

# Meet Your Neighbors

To really get to know and understand a place, you need to visit and meet the people. Take your supervisor or peer mentor along for the ride and go to the following locations. Meet the employees and have them tell you what they do in their office. Then have one person sign your sheet. When you have all the lines signed, take your paper to Lynette (or her student employees) in A-153 for a Jamba Juice certificate.

Professional Development

Financial Services encourages employee development. Some options for training are listed below. Sometime in the next few weeks talk to your supervisor about training options and set some development goals.

**BYU Training LMS**
Access online employment training developed for BYU students, faculty, and staff. There are a variety of courses you can take. To participate just log into training.byu.edu with your BYU netID and password and look for the courses you are interested in learning. If you have any questions about the new system, please email training@byu.edu. Online courses are a great investment in your development!

**LinkedIn Training**
All BYU Employees have access to LinkedIn Learning. Use Your BYU email to log in. Human Resource Development has a list of recommended courses at hrd.byu.edu/linkedin-training. If you have problems getting in, contact OIT at 2-4000.

**Software Training**
Learn to use popular software from Adobe, Microsoft, and others. There are a variety of courses you can take. To register visit lib.byu.edu/services/software-training.

**Devotional & Forum**
Employees are encouraged to attend devotional. They are held on Tuesdays at 11am in the Marriott Center. Go to calendar.byu.edu/devotionals-forums for a list of speakers.

Note: All student employees in Financial Services must clock out and leave the office during devotional.
Student Employment Requirements

Student Enrolled Credits
- Go to hrs.byu.edu/requirements-for-student-employees for information on the number of credit hours you are required to take in order to work.
- Current U.S. Citizen employees who are graduating may work up to 2 weeks after their graduation date.

Affordable Care Act
- Students are required to maintain an average of 28 hours per week during a measurement period.
- Measurement Period:
  - Current Employees: October – October
  - New Employees: Hire date-Hire date, after one year it shifts to October – October
- Fall/Winter: BYU policy requires that students work no more than 20 hours per week
- Spring/Summer: Students may work up to 40 hours as long as their average stays below 28 hours a week for the measurement period
- Employees hired during the summer are eligible to work for up to 40 hours as it is anticipated that they will drop to 20 hours per week in the fall which will drop their average for the measurement period.

Note: If an employee quits and is hired in another department or by any entity owned by The Church of Jesus Christ of Latter-day Saints before 6 months is up, they will pick up the average they left off with.

If a student exceeds the amount of hours they are permitted during a measurement period, they will automatically be terminated and will have to wait 6 months before they can be re-hired by any church owned organization.

International Student Employees
Please be very careful to follow the guidelines found at hrs.byu.edu/international-students. Be sure to stay under 20 hours/week. If you have any concerns, please talk to your supervisor or Lynette.

ASB General Evacuation Instructions
1. Emergency Coordinators should identify individuals who may need special assistance in evacuating from the building. Have a plan for specific needs. (The Emergency Coordinator for Financial Services is Lynette Cummings.)
2. The evacuation will be initiated by the sounding of the building fire alarm.

Please follow the steps below:

- Immediately exit the building following the evacuation route for your floor and office as indicated on the included floor plans. Assemble at your organization's indicated location (see page 30).
- Organizations with special requirements must follow their own established procedures. For example, secure all cash before exiting. If this is a real emergency the special procedures shall be suspended and exiting should be immediate.
- If possible, assigned Emergency Coordinators should make sure area is cleared before exiting.
- Emergency Coordinators should carry a list of all personnel in their areas (including student employees). This list will be used to account for all organization members once all are in the designated assembly areas.
- Once all personnel have arrived at the assembly area, the Emergency Coordinator will take role from the employee list and provide it to the Emergency Supervisor who will be located at the fountain directly north of ASB and wearing an orange vest.
- When all roles have been turned in to the Emergency Supervisor, a verbal all clear will be given and personnel may return to their offices.
